

Guidelines Project Proposal

- Groups of 1 to 3 students.
- **Content of the proposal (1-2 pages):**
 - Names and title of the proposal
 - Summary
 - Outline
 - List of references
- You will need to research the possible topics a bit beforehand.

Timeline:

- **Week 3, writing workshop:** please come prepared.
 - You should come to this tutorial prepared to discuss your **project idea** with Luka. If you do not have an idea yet, Luka will give you some topics to practice with.
- **Week 4, submitting the proposal:** You submit your proposal on Canvas.
- **Week 5, feedback:** You will receive initial feedback about your project.
- **Week 7, first draft.** You will receive feedback about your first draft.
- We are of course aware that during the development of your project, you may need to make small adjustments to the content of your project, so that it may differ somewhat from your project proposal. Do stay as close as possible to the approved proposal.

Deadlines:

- Friday 25 September (week 4): upload project proposal.
- Sunday 18 October (week 7): upload presentation slides and first draft.
- Saturday 31 October (or earlier): submit final project.
